**BARONA VALLEY RANCH RESORT & CASINO CERTIFIED WITH LOOSEST
TABLE GAMES IN CALIFORNIA FOR BLACKJACK AND ROULETTE
Official Certifications Ensure Best Odds of Winning**

(SAN DIEGO) Nov. 7, 2008 – **Barona Valley Ranch Resort & Casino** announced today that it has been certified as having the loosest blackjack and the loosest roulette in California. The Blackjack Hall of Fame, which consists of the 18 most revered blackjack experts, authors and professional players in history has certified Barona as having the most liberal games. Michael Shackelford, A.S.A. a professional actuary and owner of WizardofOdds.com, has also certified that Barona has the loosest roulette in California and the loosest blackjack in the San Diego area.

"We designed our games to give our players the best odds possible," said Rick Salinas, general manager of Barona Valley Ranch Resort & Casino. "But we are now excited to receive third party confirmation of our great odds. Our blackjack and roulette games are two examples of winning moments players can experience at Barona."

The Blackjack Hall of Fame honorees who certified Barona's blackjack as the loosest in the California included Max Rubin, a former casino executive, professional blackjack player and best-selling author; James Grosjean, computer analyst and professional player; and Stanford Wong, author and inventor of the "Wonging" strategy and publisher of "Current Blackjack News." Barona features 21 tables, offering Single- or Double-deck Blackjack with Surrender.

"If you play Blackjack and Roulette to win, then Barona is the place to play," said Rubin. "In my business, I've played in almost all of the casinos across the nation. As a result, in addition to offering the best odds and the loosest games, I have found that Barona has the friendliest dealers and the best overall customer service of any casino in America."

According to WizardofOdds.com, the single zero roulette is the only one in California, which significantly improves the players odds. In addition, Barona has the best blackjack rules anywhere in California for high-limit play. The low-limit tables have the best rules in the San Diego area.

"The goal of my Web site and my work, in general, is to increase players' wins and minimize their losses," said Shackelford. "After analyzing Barona's blackjack and roulette table games, I have verified that Barona has the most liberal rules in California. Players have a real chance of winning here."
