\$200,000
SLOT TOURNAMENT

NOVEMBER 13–16
10am–10pm each day

Slot Tournament

- Barona's \$200,000 Diamond Slot Tournament takes place Friday, November 13 – Monday, November 16, 2026 (10am–10pm each day).
- Diamond players are eligible to participate once per tournament day.
 - Players check-in at a tournament area using their Club Barona Card and photo ID.
 - This process verifies that the player has not played yet on the current tournament day and also activates eligibility to earn entries for the Lucky Fortune Drawing.
 - Players will sit at an available seat in the tournament area.
- When the host verifies that all machines are ready to go, they will give the signal to the participants to start playing their 3-minute round.
 - At the conclusion of the round, each participant will sign for their score on the manual score sheet provided by tournament staff.
 - Tournament staff will turn the score sheet into the score keeper to enter into the leaderboard system.
- Each tournament day, the leaderboard for that day will be displayed in the tournament area and on the Casino Floor and updated after each round is entered and verified for correct content.
 - After play has concluded for the tournament day, a tournament staff member will:
 - Enter the final scores,
 - Verify the entries are correct,
 - Update the leaderboard,
 - Issue the free play prizes according to the prize table.
 - The overall leaderboard will be updated to display the overall score each day after the winners' prizes from that day have been issued.
 - The overall score for each player is their top two scores over the four days of play.
 - On the final day of the tournament, a Special Events staff member will also issue the free play prizes for the overall top scores according to the prize table.
- Diamond players may participate once each day during the tournament period.
 - Daily Prizes
 - The top five scores each day will win a free play prize based on their placement that day.
 - An individual player may win more than one prize for the daily top scores (i.e., the player scores in the top five in days two and three).
 - Hot Seats drawings will be held each session, with up to three winners being randomly drawn each session. Each Hot Seat winner will win \$100 in free play.
 - At the end of each tournament day, five participants that are not in the top five scores from that day will receive \$500 in free play (i.e., Crazy Pays) based on the following placements each day: 115, 250, 375, 500, and 625.
 - Overall Prizes
 - The top ten overall scores (over the entire four-day tournament period) also win a free play prize based on their overall score.
 - The overall score for each player is their top two scores over the four days of play.
- Ties
 - In the event of a tie, all players with the score will receive the same prize and there will not be a winner for the following prize(s) dependent on the number of players who tied.
 - For example, if two players tie for 2nd place, they both are counted as the 2nd place winners, and receive the prize allotted for that place, but there will not be a 3rd place winner.
 - The next winner would be 4th place.
 - Furthermore, if three players tie for 2nd place, all three would be counted the 2nd place winners, and receive the 2nd place prize; there would not be a 3rd or 4th place winner.
 - The next winner would be 5th place.
