

1. Two VIP Club Barona members are drawn randomly every 30 minutes (11am–11pm) to go into the Money Machine.
2. VIP players will be issued one automatic entry by inserting their Club Barona Card in any machine, or by opening a rating at any table game. Additional entries will be earned at a rate of one virtual entry per every 250 tier points earned from 8am–11pm on the drawing day. Additional entries earned on slots, keno, video poker, and table games (including chipless games).
3. It is the Club Barona member's responsibility to ensure that his/her card is properly inserted into the machine or given to a Table Games manager. Promotion eligibility is limited to one active Club Barona Card.
4. Winners are drawn at random. The drawing system will generate a list of eligible winners. An individual machine or table game win does not trigger a hot seat prize.
5. A Barona staff member will notify the Club Barona member playing at the randomly drawn machine or table that he/she may be a winner.
6. The potential winner must have a valid, unexpired, government-issued photo ID, or a current Club Barona Card with imprinted photo, available immediately upon request that matches the name on the Club Barona Card. Those that do not match shall be disqualified. However, if a known player has an expired ID, or does not have their ID with them, identity information on file will be acceptable to confirm a winner, which shall be verified in the CMS or Everi system using their Club Barona account. If that gaming position is vacant or occupied by a player other than the first name on the list, the Club Barona member whose name appears next on the list below the previous potential winner will be determined as the next potential winner. This process will continue until a winner is determined.
7. Should the drawing system malfunction, then manual procedures will be used.
8. Players can win a maximum of one VIP Money Machine Madness prize per promotion day.
9. Winners may opt for the minimum payout of $300 free play, or they may designate a friend as their proxy (Barona staff members may not be selected). The proxy will enter the Money Machine on their behalf. The prize money is paid to the winner, not the proxy.
10. Once the VIP Money Machine Madness winner has been verified, the winner will be given a set amount of time inside the Money Machine to collect as many bills as possible and deposit them into the depository box. At the end of the winner's time, the money will be counted and issued to the winners in the form of free play or non-cashable promotional chips. A proxy of higher tier status will have the time limit of the drawn winner's tier.
    - Diamond – 90 seconds
    - Sapphire – 75 seconds
    - Platinum – 60 seconds
    - Gold – 45 seconds
11. Participants must abide by the VIP Money Machine game rules (communicated before they enter the Money Machine):
    - The winner will attempt to collect as many bills in the depository box as possible.
    - The winner cannot pick bills up off the floor or from the ceiling of the machine.
    - The winner cannot lean body against the glass.
    - The winner must follow all instruction given by event staff; those that do not will have the depository emptied and the round restarted.
12. Once the winner's total is determined, the prize will be paid as free play by default. If a winner's total is less than $300, then the total for that winner will be rounded up to $300 free play. Winners can request a portion, or all, of their prize be converted to non-cashable promotional chips, regardless of value.
13. Any applicable taxes, fees, and gratuities are the responsibility of the winner. Winner must verify 1099 or 1042-S information and complete a W-9 tax form as a condition of accepting any prize that brings the aggregate prize total to more than $1,999 in a given year.
14. Barona Resort & Casino may require winners to complete and return a publicity release as a condition of accepting any prize payout. Winners are giving their consent to be recorded for use in any and all media, whether now known or hereafter devised.
15. Barona staff, vendors, and entertainers, as well as players who are currently expelled from Barona Resort & Casino are not eligible to participate in casino promotions.
16. Barona Resort & Casino management reserves the right to modify or terminate this promotion at any time at their sole discretion with or without notice, subject to Gaming Commission approval. All rulings made by event management during the promotion are final; however, any patron who believes that he/she is entitled to payment for winnings from the promotion may file a complaint with Casino management within three (3) days of the play or operation at issue. The patron shall be notified that he/she may submit a written complaint to the Barona Gaming Commission within fifteen (15) days of receipt of the notification.
17. Any participant found to be abusing the promotion rules or tampering with the promotion in any way may be disqualified and declared ineligible for any prize.
18. Offer is subject to all Federal and Tribal laws and regulations.
